Ms D R Jorgensen
President of the MCR
Balliol College
Oxford

Dear Rich

I write to let you know formally that at its meeting on Monday 12 March 1990 the College decided to recognise the Middle Common Room as an independent entity and to approve in principle the draft constitution which had been submitted. A number of minor changes to the letter may be suggested by the Praefectus and/or the Tutor for Graduates, and the College hopes that these will be incorporated.

Yours sincerely

A handwritten signature in cursive script, appearing to read 'Baruch S. Blumberg'.
